

CURRICULUM VITAE

DENIS I. BECKER

Date and Place of Birth April 15, 1946. Long Island, New York

Degrees: B.A., Rutgers University, New Brunswick, New Jersey, 1968
M.D., University of Kentucky College of Medicine,
Lexington, Kentucky, 1972

Specialty Boards: Diplomate, The American Board of Internal Medicine, 1975
Diplomate, Endocrinology and Metabolism, 1977

Faculty Appointments: Associate Consulting Professor of Medicine, Duke University
Medical Center, Durham, North Carolina (current appointment)

Clinical Associate Professor, Department of Medicine, Division of
Endocrinology, University of North Carolina School of Medicine,
Chapel Hill, NC (former appointment)

Postgraduate Training: Internship and Internal Medicine Residency,
Cleveland Clinic, 1972-1975

Fellow, Department of Medicine, Endocrine Division,
University of North Carolina School of Medicine, 1975-1977

Instructor in Medicine and Attending Physician, North Carolina
Memorial Hospital, Chapel Hill, NC 1975-1977

Postdoctoral Trainee, Department of Pharmacology, University of
North Carolina School of Medicine, 1975-1977

Professional Organizations: Endocrine Society
American Association of Clinical Endocrinologists
Carolinas Chapter, Founding President
National Committees:
 Legislative and Regulatory Committee
 State Chapters Committee
 Membership Committee
American Thyroid Association
Fellow, American College of Endocrinology
Fellow, American College of Physicians
American Diabetes Association, NC Affiliate, Past-President
North Carolina Medical Association, Past Vice-Councilor
Wake County Medical Society, Past-President
Raleigh Society of Internal Medicine, Past-President

Current Hospital Appointments: Duke Health Raleigh Hospital, Raleigh, NC
Past-President of Medical Staff
Past-Chairman, Board of Trustees
Rex Hospital, Raleigh, North Carolina
Wake County Medical Center, Raleigh, NC
Western Wake Medical Center

Principle Practice Activities: Full-time clinical endocrinology practice,
Raleigh Endocrine Associates, 1977 to present

Medical Director, Diabetes Center, Duke Health Raleigh Hospital, 1988 to present

Medical Director: Raleigh Endocrine Research Associates, 2001 to present

National Guideline Clearinghouse. www.guideline.gov Consensus
conferences

Poster Presentations:

“Pediatric Use of Insulin Pump: Longer Infusion Site Lifetime With
Novolog.” Presented at the 15th Annual Conference of the Pediatric
Endocrinology Nursing Society, April 24-27, 2002, Chicago, Illinois

Manuscript Reviewer: The North Carolina Medical Journal, Diabetes Care, Endocrine Practice

Research:

Principal Investigator / Sub-Investigator on Phase II through
Phase IV clinical trials in pituitary function, hypertension,
hyperlipidemia, bone metabolism, osteoporosis,
thyroid cancer, diabetes mellitus, and hypogonadism
